Members/Candidates get early registration preference; therefore, a deadline has been established to guarantee a slot for them. After that date, guest nominations will be received, reviewed and placed in available slots. Late submission of registration and payment will affect a member/candidate's opportunity to participate in the upcoming event.

A candidate gets invited back to NCHB because he is considered to be a good quartet man. Each participant's top priority must be to create a successful quartet environment for everyone. Therefore, each man must **arrive** prepared. **Being unprepared upon arrival is not an option.**

If an individual knows he will be unable to meet the required singing expectations or a conflict arises that prohibits him from attending, ***he should withdraw prior to November 1.***

## **Brigade Costs**

### **Annual Dues**

**To retain membership status in NCHB, the Annual Dues must be remitted each year, even if you are unable to attend.** Note that music packets will only be mailed to those paying dues.

The separately-stated event cost will be payable at the onsite event check-in. Note that NCHB will also accept credit card payments at the event. A 4% convenience fee will be added to all PayPal and credit card payments.
